

RESIDENCY PROGRAM: **PRINT ART ON STAGE!**

Arts Printing House offers a paid residency to professional international artists in Contemporary Performing Arts field: Contemporary Circus, Theatre, Dance. As well Arts Printing House opens residency to the Producers of performing arts: art directors, festival programmers or managers of the field. We try to encourage and strengthen the interaction between Lithuanian artists and guests from other countries via Artists in Residence program Print Art on Stage.

we offer:

1-4 weeks residency (recommended for summer (June – August) but also possible to apply for September - May) at the Arts Printing House. Residents can choose acceptable space at the venue for a preferable period of time and they have to cover their travel expenses, accommodation and all other expenses such as living costs, materials, insurance and local transport costs in the country. However we can offer our help to find available place to live. The residency takes place at the Arts Printing House, lively and diverse contemporary culture venue situated in the Old Town of Vilnius.

duration:

(preferably) 1-4 weeks, 4-8 working hours per day

paid by artist:

the space price which includes the place for performances and rehearsals, technical and administrative support, publicity, other help and guidance. Artists have to pay for their travel expenses, accommodation, food, working material, health insurance, local transport costs in the city

accommodation information:

if it is needed, we will help to find accommodation space | it can be arranged within a walking distance from the Arts Printing House in an apartment or hotel
